Hands on experience - one day workshop on Molecular Diagnostic Techniques

HiMedia Laboratories conducted a ‘One day workshop on Molecular Diagnostic Techniques’ organized by Pingle Govt Degree and P.G college for women’s (Accredited with NAAC), Waddepalli Warangal, Andhra Pradesh on 7th March 2013.

The objective of the workshop was to provide hands-on experiences of the normal laboratory techniques, especially in immunology and molecular biology, used in diagnostic laboratories. The event has helped around 150 students to gain practical knowledge of the subjects and around 12 teachers to improve their existing knowledge. All the beneficiaries were happy and satisfied with the hands-on experience and found the workshop very informative. The workshop on molecular diagnostic techniques conducted by HiMedia had been turned out to be a successful event and the information related to workshop was also covered in the newspaper EENADU - Andhra Pradesh's Telugu daily newspaper, 8th March, Warangal Edition.
Looking for an efficient, comprehensive and economical method to teach the students?
