Subject: Poster number assignment for ISHI 34

To:

Cc: Sharon Zelanka <sharon.zelanka@promega.com>

Greetings poster presenters,

Attached you will find a spreadsheet that shows your assigned poster number. Please review the listing to ensure that your name, company affiliation and poster title are correct. This information will be printed in the symposium program, so notify us right away if a correction is needed.

Odd numbered posters will be presented on Tuesday, September 19 from 3:30-5:30pm. Even numbered posters will be presented on Wednesday, September 20 from 3:20-5:20pm. The poster sessions will be held in Exhibit Hall F at the Colorado Convention Center.

ISHI registration, the general session and workshops will be held across the street on the 3rd floor of the Hyatt Regency, located at 650 15th Street. Pick up your ISHI registration materials, including conference badge prior to setting up your poster.

Poster set up is scheduled for Monday, September 18 from 12:00pm to 5:00pm or Tuesday, September 19 from 7:30am-9:00am. Plan to be present by your poster for your entire assigned poster session. Posters must be taken down after the end of session on Wednesday or during the Thursday morning breakfast from 7:30-9:00am. ISHI is not responsible for any posters remaining after breakfast on Thursday.

Poster boards will be 4 feet high by 8 feet wide. Poster materials need not take up the entire board and may be affixed to the board as a single large format document or as a collection of smaller pieces of data. Push pins will be provided on site.

We'll look forward to seeing you in Denver in a few short weeks. Feel free to reach out with any questions in the meantime.

Carol Bingham

ISHI Symposium Manager
