Dear Subramanian,

Thank you for your abstract submissions for the *Thirty Fourth International Symposium on Human Identification*. On behalf of the review committee, I am pleased to inform you that your abstracts have been accepted for poster presentations:

- **STUDY OF SUITABLE BONE REGION FOR DNA EXTRACTION AND DOWNSTREAM APPLICATIONS – A CASE STUDY (K. Kavita)**
- **STUDY OF PCR INHIBITORS ON HIMEDIA'S INSTA Q96® - 6.0 REAL-TIME PCR SYSTEM FOR FORENSIC APPLICATIONS (S. Arunagiri)**
- **COMPARISON OF TWO AUTOMATED NUCLEIC ACID EXTRACTION SYSTEMS FOR BONE DNA EXTRACTION (W. Rajas)**

Please provide me with a contact information for K. Kavita and W. Rajas and note that all poster presenters must be registered to attend the symposium by July 15th to receive a poster number assignment.

Two poster sessions will be scheduled during the conference. Odd numbered posters will be presented on Tuesday, September 19th from 3:30-5:30pm. Even numbered posters will then be presented on Wednesday, September 20th from 3:30-5:30pm.

Poster boards will be 4 feet high by 8 feet wide. Poster materials need not take up the entire board and can be affixed to the board as a single large format document or as a collection of smaller pieces of data. Push pins will be provided on site.

ISHI 34 will take place September 18 – September 21, 2023, at the Hyatt Regency Denver, 650 Fifteenth Street, Denver CO 80202 and adjacent Denver Convention Center. Specifics can be found on our website: www.ishinews.com.

Once again, thank you for adding to the value that this symposium has for the genetic identification community. If you have any questions concerning the meeting, please contact me Tel: 608-277-2670, or E-mail: carol.bingham@promega.com. I am delighted that you will participate in this year's symposium.

Sincerely,

A handwritten signature in cursive script that reads 'Carol Bingham'.

Carol Bingham
Symposium Director
