

HiPurA[®] Xtract

Product Name

HiPurA[®] Xtract

Product Code

DS1636

Kit Packing

100ML

Intended Use

Recommended for binding of nucleic acids.

Introduction: HiPurA[®] Xtract enhances the binding of nucleic acids to the silica membrane or magnetic beads thus enabling high recovery of nucleic acids.

Application: HiPurA[®] Xtract can be used for isolating nucleic acids from various samples.

Properties:

Appearance: Colorless liquid

Suitability Test: This reagent has been tested and is suitable for the isolation of nucleic acids from various samples.

Storage conditions: HiPurA[®] Xtract has to be stored on receipt between 15- 25°C. The shelf- life of this product is 18 months.

Warning and Precautions

Not for Medicinal Use. Read the procedure carefully before beginning the protocol. Wear protective gloves/protective clothing/eye protection/face protection. Follow good clinical laboratory practices while handling clinical samples. Standard precautions should be followed as per established guidelines. Safety guidelines may be referred in safety data sheets of the product.

Limitations

The yield of nucleic acid depends upon the type and the volume of starting material used.

Performance and Evaluation

Performance of the HiPurA[®] Xtract is expected when it is used as per the protocol mentioned in the product insert within the expiry period when stored at recommended temperature.

Safety Information

Take appropriate laboratory safety measures and wear gloves when handling. Not compatible with disinfecting agents containing bleach. Please refer the Safety Data Sheet (SDS) for information regarding hazards and safe handling practices.

Please refer disclaimer Overleaf.

Disposal

User must ensure safe disposal by autoclaving and/or incineration of used or unusable preparations of this product. Follow established laboratory procedures in disposing of infectious materials and material that comes into contact with clinical sample must be decontaminated and disposed off in accordance with current laboratory techniques.
