

K007 Amino acid kit (For biochemistry)**Product Number Packing**

K007	: 1KT
K007	: 5KT

Product Information

Product Code	: K007
Product Name	: Amino acid kit (For biochemistry)
HS Code	: 3822 00 00
Shelf Life	: 4 years

Technical Specification

Description	: The kit for biochemistry contains the following 24 individual amino acids. Out of these, 20 amino acids contain 1 gm lyophilized powder each. The rest 4 individual amino acids, contain 100 mg lyophilized powder each.
DL-Alanine	: Corresponding HiMedia Code : GRM035
DL-2-Aminobutyric acid	: Corresponding HiMedia Code : RM1323
L-Arginine hydrochloride	: Corresponding HiMedia Code : GRM039
DL-Aspartic acid	: Corresponding HiMedia Code : GRM042
L-Cysteine hydrochloride monohydrate	: Corresponding HiMedia Code : GRM046
L-Cystine, Free base	: Corresponding HiMedia Code : GRM047
DL-3,4-Dihydroxyphenylalanine	: Corresponding HiMedia Code : GRM361
L-Glutamic acid	: Corresponding HiMedia Code : GRM048
Glycine	: Corresponding HiMedia Code : GRM199
L-Histidine monohydrochloride monohydrate	: Corresponding HiMedia Code : GRM051
Hydroxy-L-proline	: Corresponding HiMedia Code : RM052
L-Isoleucine	: Corresponding HiMedia Code : GRM053
L-Leucine	: Corresponding HiMedia Code : GRM054
L-Lysine monohydrochloride	: Corresponding HiMedia Code : GRM055
L-Methionine	: Corresponding HiMedia Code : GRM200
DL-Norleucine	: Corresponding HiMedia Code : RM1127
DL-Ornithine monohydrochloride	: Corresponding HiMedia Code : RM10641
DL-Phenylalanine	: Corresponding HiMedia Code : RM059
L-Proline	: Corresponding HiMedia Code : RM061
D-Serine	: Corresponding HiMedia Code : RM1519
DL-Threonine	: Corresponding HiMedia Code : RM066
DL-Tryptophan	: Corresponding HiMedia Code : RM068
L-Tyrosine	: Corresponding HiMedia Code : RM069
DL-Valine	: Corresponding HiMedia Code : RM071
Results	: All amino acids were tested and found to be passing as per standard

specifications

Risk and Safety Information

Storage Temperature(°C) : Store below 30°C

Transport Information

Marine Pollutant : -
ADR/RID : Not Dangerous Goods
IMDG : Not Dangerous Goods
IATA : Not Dangerous Goods
